

# Invitation for Proposals for Development of **590 MW RAW SITE MAHL HYDROPOWER PROJECT**

**Private Power and Infrastructure Board (PPIB)** hereby invites proposals from interested private sector entrepreneurs for development of the approximately 590 MW Raw Site Mahl Hydropower Project (the 'Project'). The Project will be located on Jhelum River few kilometers upstream of Tain-Dalkot Bridge. The Project shall be implemented under the Policy for Power Generation Projects 2002 of Government of Pakistan (the "Policy") which provides very attractive set of incentives to the private sector for investment in power generation projects in Pakistan. The detail of the Project and the Policy is available at PPIB's **Website [www.ppib.gov.pk](http://www.ppib.gov.pk)**.

Parties will be selected based on the criteria set forth in the Expression of Interest (EOI) Document.

- Expression of Interest (EOI) Document can be obtained either from PPIB office or through online upon payment of US \$200 Registration and US \$1500 EOI document fee respectively.
- Payments will also be accepted in equivalent Pakistan rupees; either i) directly in PPIB Bank account maintained at Habib Bank Limited, F-7 Commercial Area Branch, Islamabad (Details of PPIB US Dollar and Pak Rupees Bank accounts are available at PPIB **website: [www.ppib.gov.pk](http://www.ppib.gov.pk)**) OR; ii) through Demand Drafts/Pay Orders drawn in favour of Private Power & Infrastructure Board, Islamabad-Pakistan.
- PPIB reserves the right to reject all proposals at any time.

PID(1)No.6193/12

**Last date for submission of proposals August 28, 2013 by 1200 Noon**

**Managing Director
